

EuroScooter™ Warranty

The Limited Warranty does not cover or apply to the following: normal wear and tear, any damage, failure and/or loss caused by accident, misuse, neglect, abuse and/or failure to follow instructions or warnings as stated on the product or in the applicable owner's manuals or other printed materials provided with the product; damage, failure and/or loss caused by the use of the product in any other manner for which such products were not specifically designed. EuroScooters warrants the scooter according to the following terms: Batteries are warranted for twelve (12) months, Tires are warranted for ninety (90) days and the motor is warranted for (24) months. This warranty extends to the original retail purchaser only and commences on the date of the original retail purchase. Any part of the scooter product manufactured or supplied by EuroScooter and found in the reasonable judgment of EuroScooters to be defective in material or workmanship will be repaired or replaced by an authorized EuroScooter service dealer without charge for parts or labor. EuroScooter is responsible for the expense of delivering the warranty replacement parts. However, if the customer chooses not to replace the parts, the expense of delivering the EuroScooter to the factory/authorized service dealer for warranty work or the expense of returning it back to the owner after repair/replacement will be paid for by the owner. EuroScooters responsibility in respect to claims is limited to making the required repairs or replacements and no claim of breach of warranty shall be cause for cancellation or rescission of the contract of sale of any EuroScooter product. Proof of date of purchase will be required by the dealer to substantiate any warranty claim. An authorized EuroScooter service dealer must perform all warranty work. This warranty does not cover any EuroScooter product that has been subject to misuse, neglect, negligence, or accident, or has been operated in any way contrary to the operating instructions as specified in EuroScooters owner manual. This warranty does not apply to any damage to EuroScooter products that is the result of improper maintenance or to any EuroScooter product that has been altered or modified so as to adversely affect the products operation, performance, or durability, or that has been altered or modified to change its intended use. This warranty does not extend to repairs made necessary by normal wear and or by use of parts that are incompatible with EuroScooter products. In addition, this warranty does not cover items that experience normal wear and tear. EuroScooter reserves the right to improve the design of the product without assuming any obligations to modify any product previously manufactured. Any such implied warranties including merchantability, fitness for a particular purpose or otherwise are disclaimed in their entirety after the expiration of the appropriate warranty period. EuroScooters obligation under this warranty is strictly and exclusively limited to the repair and replacement of defective parts and does not assume any other obligation. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. EuroScooter assumes no responsibility for incidental consequential or other damages including but not limited to expense of returning the EuroScooter to an authorized service dealer and expense of delivering it back to the owner, mechanics travel time, telephone charges, rental of a like product during the time the warranty of service is being performed, travel loss, or damage to personal property, loss of revenue, loss of time, or inconvenience. Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitations may not apply to you. EuroScooters will, at its sole

option, either repair, replace, or refund the purchase price of any unit that does not conform to this limited warranty. EuroScooters may choose at its option to use functionally equivalent reconditioned, refurbished or new units or parts to any units. You are responsible to get your unit back to EuroScooter.
